

NEWS FROM OVER THE STATE.

At the time of the division of the people of Utah on party lines, Mr. Holton espoused the cause of Democracy.

I. association, and when the work of establishing the public library was inaugurated he was elected chairman of the finance committee, and in connection with others, has labored earnestly, energetically and successfully for the accomplishment of the work of raising and maintaining the Brigham City free library and reading room.

CHILD KILLED AT FARMINGTON

KICKED BY HORSE AND NEVER REGAINED CONSCIOUSNESS.

Was the Daughter of Butte, Mont., People—Little One Was Playing By Father's Team When Killed.

(By Telephone to The Herald.)

Farmington, July 22.—Mrs. Sanders, 11-year-old daughter of Mr. and Mrs. Thomas M. Sanders of Butte, Mont., was accidentally killed here at about 6 o'clock this evening.

Mrs. Sanders and daughter came here four weeks ago and Mr. Sanders arrived with his team last Tuesday. This evening Mrs. Sanders was leading his horse to a pasture a few rods from the hotel where the little girl, with Edna, the 11-year-old daughter of Mr. and Mrs. Hayes, who keeps the hotel, went through the gate a few yards behind the horses. The little girl evidently intended to give her father a ride on the horse, and she walked near to where her father was and said to him: "Which is Frank, papa?"

"The one on the left," he replied, and she passed behind the team and while in the act of reaching the doll toward the horse's back, the horse, which is not a vicious animal, no doubt not having seen her until the girl touched his side, kicked violently with both legs, striking her on the left jaw, knocking her about six feet, dislocating her neck and fracturing her skull where the horse's shoe hit. She came in contact with a rock in the gravelly road. She did not regain consciousness and ceased breathing in about ten minutes.

Dr. Allison of Kayville was telephoned for and came down, but, of course, could render no assistance. The parents are heartily broken with grief over the accident.

They have two other children, grown up sons, who are residing in Oregon. Funeral services will be held at 2 o'clock Monday from the Hayes hotel.

TALKED TITHING.

Quarterly Stake Conference Held Yesterday at Provo.

(Special Correspondence.)

Provo, July 22.—The regular quarterly stake conference was begun today in the tabernacle. There was a fair attendance and a number of high church societies were present, among whom were President Snow, George Q. Cannon, F. D. Richards, E. J. Peery, and others.

President Edward Partridge spoke first, exhorting his hearers to perform faithfully the duties of their calling, and of the favorable standing of this stake with the favor of the state.

Bishop J. B. Kauter reported favorably for the fourth ward of Provo.

Bishop Oakeley had a good word to say for his congregation, in reporting the condition of Goshen.

Bishop Thorne of Pleasant Grove reported also, saying that they had recently dedicated a new meeting house in that city.

President David John spoke on attendance at religious meetings and the duties of all in obeying the laws of the church.

President Reed Smith spoke next, referring to the favorable condition of the church financially.

George Q. Cannon delivered an address on the law of tithing, saying, among other things, that this people will never be what God wishes it to be unless this law is observed in its fullness.

In the afternoon, after prayer and the singing of an anthem by the choir, Apostle F. D. Richards spoke at some length on the law of tithing. He exhorted his fellow Saints to see the virtue of obeying this law and dwell on its details, also referring to the happiness of those who lived up to it.

A duet, "Sweet Hour of Prayer," was rendered by Misses John and Johnson.

The last speaker of the day was Bishop W. B. Preston, who also made tithing the subject of his sermon. He read from the Doctrine and Covenants the duties of priests and teachers.

After the close of Bishop Preston's remarks, the conference adjourned with singing and prayer.

HEBER'S PREPARATIONS.

Pioneer Day to Be Celebrated in Grand Style.

(Special Correspondence.)

Heber, July 22.—Pioneer day is to be celebrated in a manner that will send to the hearts of the few remaining men and women who, in the spring of 1847, took to settle this, their uninitiating valley, which today, ranks among the delightful little valleys in the intermountain region.

A committee of arrangements has been at work for nearly a week. The business men and others have been very liberal with their means, and the committee in charge of the celebration, like they can give the people of Heber a celebration that will surpass anything in the past.

John Crook, who took part in arranging the first celebration in the valley, forty years ago, is a member of the present committee, and is working with just as much zeal and enthusiasm as the younger members of the committee.
